OVER THE DIVIDE

Passes to Rest the Soul of
Joseph Rex Tracy.

Many friends and acquaintances of Joseph Rex Tracy were surprised and grieved to learn of his death which occurred on Thursday morning, January 19, 1905, at the home of his son, Hon. Thomas H. Tracy of Toledo, at the advanced age of 85 years.

Mr. Tracy had been ill but a few days and at no time was his illness supposed to be serious until the night

before his death, when he grew gradually worse until death relieved him of his suffering on Thursday at 10 a. m. Pneumonia was the cause of his death, which first made its appearance on the Saturday previous.

Mr. Tracy was born at Smyrna, Chenango county, N. Y., Sept. 21, 1820. In 1837 he came west and located at Bowling Green, where he resided about thirty years, but later went to Millbury to reside. He was united in marriage with Miss Hanna S. Burdick, who died February 13, 1886.

Deceased was one of the most active men of the county, and although he retired from agricultural pursuits about 24 years ago, he had never ceased his activity and took wonderful interest and pride in overseeing and assisting in the work on the River Home farm, the country seat of his son, Attorney Thomas Tracy of Toledo, and when not busy with the farm was deeply interested in literature and the current news of the day. His mind was a regular store house of information and a more genial and companionable gentleman is seldom met. For this and other reasons he was highly esteemed by all who knew him and his acquaintance was extensive.

Mr. Tracy left four children to mourn his departure—Dr. James L. Tracy, Marcena R. Tracy and Thomas H. Tracy of Toledo and Mrs. C. F. Chapman of Perrysburg.

His funeral services were held Saturday at the residence in Toledo, conducted by Rev. Armington of the Epworth M. E. church, his present pastor; Rev. B. L. Rowand of the Y. Mission, his pastor in '72; and Rev. T. N. Barkdull, his pastor in 1860. The remains were placed at rest in Woodlawn cemetery.

ELECTION OF OFFICERS.

The Crescent telephone company held its annual meeting at Weston on Saturday, and elected officers as follows: John Bamer, president; Sumner Cottingham, vice president; Azor Thurston, secretary; W. D. Mudge, Treasurer.

This company has had a rapid growth and is doing a fine business. It is owned by home capital and furnishes the very best telephone service.

Forced to Starve.

B. F. Leek, of Concord, Ky., says: "For 20 years I suffered agonies, with a sore on my upper lip, so painful, sometimes, that I could not eat. After vainly trying everything else, I cured it with Bucklen's Arnica Salve." It's great for burns, cuts and wounds. At Bowers & Comstock's drug store. Only 25 cents.

NINETY-NINE YEARS

Toledo Urban & Interurban Co.,
Leases B. G. Line.

A deal in electric lines of much magnitude was the lease of the Toledo, Bowling Green & Southern Traction Co.'s line to the Toledo, Urban & Interurban company for a term of 99 years.

The lease covers the road from Findlay to Perrysburg, the electric light and heating plant at Findlay, the Findlay street railway and all other real and personal property and franchises which are now held by the T. B. G. & S.

The Toledo Urban & Interurban company is owned by practically the same men as the T. B. G. & S. company and the former was organized as a holding company. It built the new line from Perrysburg into Toledo and the bridge at Maumee and contemplates constructing a line from Maumee on to Grand Rapids, west of the river.

By the terms of the lease the Urban & Interurban is to pay all outstanding debts of the lessor and complete the power house at Findlay at a cost not less than \$200,000. The rent is to be based on the capital stock of lessor, which is \$1,500,000 and will be one-half of one per cent. for the first year. For ten years it shall increase a certain per cent. until when four per cent. of \$60,000 shall be paid, which shall be the yearly rental thereafter.

It is expected that the cars will be running over the new line in about ten days.

The Jerry City branch will be extended to Fostoria if the Bloomdale people will secure all the right of way and sell or take care of a bond issue of \$200,000 with which the tracks would be built.

ANOTHER ELECTRIC LINE

To Parallel C. H. & D. R. R. from
Toledo to Cincinnati.

The proposed electric line, paralleling the C. H. & D. railroad from Lima to Toledo, will be built this summer according to men interested in the company and actual work will be begun on the Lima end of the line within a few weeks.

Practically all the right of way for the line has been secured from Lima to a point north of Deshler and franchises have been secured at Cairo, Columbus Grove, Ottawa and soon Leipsic and Belmore will be added.

The electric line will parallel the C. H. & D. and will strike Wood county a little ways north of Deshler. It will pass through the villages of Custer, Weston, Tontogany and Haskins and will be of great benefit to them and the western part of the county.

Just how it will enter Toledo has not yet been announced by the officials, but it will probably pass through Perrysburg and either use the Maumee Valley tracks into the city or build a parallel line.

The project is backed by the men who own the Lima street railway company and other lines and there is plenty of money on hand to do the work without delay, and it is likely that no bonds will be sold.

Hon. Walter B. Ritchie, the well known Lima attorney, is interested in the company and is leading the work of securing franchises and right of way.

In a recent interview Mr. Ritchie said that the project was not all wind and that his company was ready for business. He also stated that work on the southern end would be begun within a few weeks and that the line would be put in operation as far as Ottawa as soon as possible.

The line will complete the Toledo-Cincinnati interurban.

WOODMEN INSTALLATION

Their First Public Installation a
Success in Every Way.

On Tuesday evening last the members of Way Camp, W. O. W., held their first public installation of officers and gave a reception to their families and friends. There were 250 guests present and all seemed pleased with the reception.

The musical programme as arranged by Manager Hahn of the band was charmingly rendered by the members of that excellent organization.

At 8:30 the curtain arose and the officers elect, who were seated upon the stage, were then installed into their respective offices with E. L. Blue as installing officer.

These ceremonies were followed by a selection by the band after which attorney L. M. Murphy was introduced and gave a very interesting address on the subject of Woodcraft which was received with marked attention and was highly appreciated by the audience.

Refreshments were then served in the lower halls where the committee had arranged a splendid supper.

After supper dancing was enjoyed until the hour began to grow small. The entertainment was a success in every respect.

BANK EXAMINERS

Make Their Report to the Board
of Directors.

Office of The Citizens Banking Co.,
Perrysburg, O., Jan. 20, 1905.

To the Board of Directors:
The undersigned committee appointed on September 6, 1904, to conduct an examination of the books and assets of the company, beg to report as follows:

On this date the committee met at the office of the company, and took possession of the records and assets, and examined same.

The statement of liabilities, including deposits, capital stock, undivided profits and earnings were correct, to the best of our knowledge and belief.

All the assets of the company, including cash, balances due from other banks, loans and investments, real estate, interest paid, and expense accounts were invoiced, counted and checked, and found correct and as stated and of first quality, with no exceptions.

As to the condition of the books and records, your committee found them in fine shape.

Respectfully submitted,

J. DAVIS,
DAVID MAIN,
D. K. HOLLENBECK.

NARROWLY ESCAPED DEATH.

Henri Bohn, a young oil worker, was terribly injured in a bull wheel accident near Portage Thursday afternoon.

He was assisting in the pulling of some tubing when he got tangled in the shackle-rope and was jerked into the wheel. His left limb was crushed to a pulp and both bones broken about midway between the knee and ankle. He was covered with large contusions and how he escaped with his life is a mystery. He was brought to his home on East Wooster street in this city in a buggy and Drs. I. M. and C. O. Shrader attended him. It is not believed that his injuries, desperate though they are, will result fatally. He is unmarried and well known among the oil men of this city.—Tribune.

The Diamond Cure.

The latest news from Paris, is, that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia, it will, however, be best for you to take that great remedy mentioned by W. T. McGee of Vanleer, Tenn. "I had a cough for fourteen years. Nothing helped me, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which gave instant relief, and effected a permanent cure." Unequalled quick cure for Throat and Lung troubles. At Bowers & Comstock's drug store; price 50 cents and \$1.00, guaranteed. Trial bottles free.
